- By car

For those arriving by car from the north, exit the motorway at "Firenze Nord" and continue in direction Novoli. We are 5 minutes from the motorway exit.

For those who arrive from the south, exit "Firenze Certosa" and follow the signs for "I Viali" that lead you in the area north of the city.

- By plane

Florence airport offers a convenient shuttle service (vola in bus) to reach the central train station Santa Maria Novella. Alternatively you can take a taxi (duration: about 10 minutes). From Pisa airport , Galileo Galilei, we recommend that you take the train that connects the airport with the city of Florence. The journey takes about 30 minutes and it will take you directly to the Florence train station, Santa Maria Novella. From here continue by bus (see above).
